Lucara Diamond

Lucara's Karowe mine is located in central Botswana and has been in production since the middle of 2012. The mine has consistently delivered a stream of exceptional diamonds since mining started in the central and south lobes of the kimberlite, in the first quarter of 2013.

This will be the first "Exceptional Stone Tender" of diamonds recovered from the Karowe mine in 2015 and our seventh to date.

Rough Diamond Tender

Viewing Schedule **Gaborone**

July 6 to July 16, 2015

Sale: July 16, 2015 at 4 pm (CET)
